6 Restriction on authority conferred by category H licence

(cf 1997 cl 5A)

- (1) The genuine reason of business or employment does not, in relation to a category H licence or an application for such a licence, include business or employment that constitutes any other genuine reason. Section 16 of the Act provides that a category H licence must not be issued unless the genuine reason established by the applicant is sport/target shooting, business or employment or firearms collection. The genuine reasons specified in section 12 of the Act are each mutually exclusive.
- (2) Accordingly, a category H licence issued to a person who has established business or employment as the genuine reason for being issued with the licence does not authorise the possession or use of a registered pistol for a purpose that is a genuine reason other than business or employment. For example, the licensee is not authorised to use the pistol for the purposes of:
 - (a) hunting (including the control or suppression of vermin or pest animals) or fishing, or
 - (b) farming or grazing activities (including the destruction of diseased or injured animals).

7 Licence applications

(cf 1997 cl 6)

For the purposes of section 10 (1) of the Act, the manner of making an application for a licence is by sending or lodging the application in the approved form to or at the Firearms Registry of the NSW Police Force or such other place as may be approved.

8 Term of licence

(cf 1997 cl 6A)

- (1) In making an application for a category A, B, C, D or H licence (other than a category D licence referred to in section 21 (2) of the Act or a probationary pistol licence) or for a firearms collector licence that is part of a composite licence as referred to in clause 99 (3), the applicant may apply for a licence that will be in force for a period of 2 years only.
- (2) For the purposes of section 21 (1) of the Act, the period of 2 years is prescribed in relation to any such licence.
- (3) This clause does not apply in relation to an application for a subsequent licence to which clause 8A applies.

8A Term of subsequent licences that are renewals of category A and B licences that expire in 2008

- (1) This clause applies to a licence ("**a subsequent licence**") that is issued by way of renewal of a category A or B licence (including a composite licence that comprises a category A and B licence only) that expires during the period commencing 1 March 2008 and ending 31 December 2008. However, this clause does not apply to any such subsequent licence issued to a person who had more than 4 firearms registered in their name as at 30 June 2007.
- (2) The period for which a subsequent licence is to be issued is as follows:
 - (a) 1 year if the applicant satisfies the approved criteria for issuing a licence for that period,
 - (b) 2 years if the applicant satisfies the approved criteria for issuing a licence for that period,
 - (c) 3 years if the applicant satisfies the approved criteria for issuing a licence for that period,
 - (d) 4 years if the applicant satisfies the approved criteria for issuing a licence for that period.
- (3) Any such period is prescribed for the purposes of section 21 (1) of the Act in relation to the subsequent licence concerned.

9 Certification of requirements relating to safe keeping of firearms

(cf 1997 cl 7)

- (1) Certification in licence application The Commissioner may refuse to issue a licence unless the applicant has certified in the licence application that the applicant is aware of, and understands, the requirements of the Act and this Regulation in relation to the safe keeping of firearms to which the licence applies.
- (2) Certification in application for permit to acquire firearm The Commissioner may refuse to issue a permit to acquire a firearm unless the applicant has certified in the permit application that the applicant is able to comply with the requirements of the Act and this Regulation in relation to the safe keeping of the firearm.

10 Fingerprinting of applicants to confirm identity in particular cases

(cf 1997 cl 8)

- (1) The Commissioner may:
 - (a) require an applicant for a licence or permit to consent to having his or her fingerprints taken by a police officer in order to confirm the applicant's identity, and
 - (b) refuse to issue the applicant with a licence or permit unless the applicant has been fingerprinted in accordance with any such requirement.
- (2) A requirement under subclause (1) may only be made if:
 - (a) there is a reasonable doubt as to the applicant's identity, and
 - (b) proof of the applicant's identity cannot be confirmed by any other means that are available in the circumstances.

(3) The Commissioner is to ensure that any fingerprints that are obtained in accordance with a requirement under subclause (1), and any copies of them, are destroyed as soon as they are no longer needed in connection with the application to which they relate.

(4) As soon as practicable after any fingerprints (or any copies of them) are destroyed in accordance with subclause (3), the Commissioner is to notify the applicant in writing that those fingerprints (and those copies, if any) have been destroyed.

11 Additional grounds for refusal of permit

(cf 1997 cl 9)

(1) The Commissioner may refuse to issue a permit unless the applicant has completed such firearms training and safety courses as the Commissioner considers to be appropriate in respect of the permit concerned.

(2) The Commissioner must, except in such cases as the Commissioner (at the request of the Commonwealth Government) considers appropriate, refuse to issue a permit authorising the possession or use of a firearm if the Commissioner is satisfied that the applicant intends to possess or use the firearm for personal protection (or for the protection of any other person) or the protection of property.

(3) Without limiting the operation of subclause (2), the Commissioner must refuse to issue a permit authorising the possession or use of a registered pistol if the Commissioner is satisfied that the applicant intends to possess or use the pistol for the purposes of:

(a) hunting (including the control or suppression of vermin or pest animals) or fishing, or

(b) farming or grazing activities (including the destruction of diseased or injured animals).

(4) However, subclause (3) does not apply in relation to an applicant if the Commissioner is satisfied, on production of such evidence as the Commissioner may require, that the applicant has a medical condition or disability that prevents the applicant from using a rifle or shotgun for the purposes referred to in that subclause.

12 Lost, stolen or destroyed licence or permit

(cf 1997 cl 10)

A person to whom a licence or permit has been issued must, within 14 days after becoming aware that the licence or permit has been lost, stolen, destroyed, defaced or mutilated, notify the Commissioner in writing of that occurrence.

Maximum penalty: 20 penalty units.

13 Application for duplicate licence or permit

(cf 1997 cl 11)

(1) The Commissioner may, on being satisfied that a licence or permit has been lost, stolen, destroyed, defaced or mutilated, and after payment of the fee specified in clause 99 (1) (o), issue a duplicate licence or permit.

(2) An application for a duplicate licence or permit is to be made by sending or lodging the approved form for the application to or at the Firearms Registry of the NSW Police Force or such other place as may be approved.

14 Requirement to notify Commissioner if reason for possessing firearm ceases

(cf 1997 cl 12)

(1) If a licensee's genuine reason for possessing or using a firearm under the authority of a licence can no longer be established by the licensee, the licensee must, within 14 days of ceasing to have that genuine reason, notify the Commissioner in writing of that fact.

Maximum penalty: 50 penalty units.

(2) If a permit holder's legitimate reason for possessing or using a firearm to which the permit relates can no longer be established by the holder, the permit holder must, within 14 days of ceasing to have that reason, notify the Commissioner in writing of that fact.

Maximum penalty: 50 penalty units.

(3) A reference in subclause (2) to a permit holder's legitimate reason for possessing or using a firearm includes a reference to the circumstances in respect of which the holder possesses or uses the firearm under the authority of the permit.

(4) A person does not commit an offence under this clause if the person demonstrates that he or she did not know, or could not reasonably be expected to have known, that the genuine reason, or legitimate reason, established by the person for possessing or using a firearm under the authority of the licence or permit had ceased to exist.

15 Requirement to notify change of particulars other than address

(cf 1997 cl 13)

(1) The holder of a licence or permit must, if there is any change in a particular (eg the name of the holder) stated in the licence or permit:

(a) notify the Commissioner in writing of the change within 14 days after the change occurs, and

(b) if a replacement licence or permit is issued to the holder--surrender the original licence or permit at the police station nearest to the usual place of residence of the holder within 14 days after receiving the replacement licence or permit.

Maximum penalty: 20 penalty units.

(2) This clause does not apply to a change in a licensee's or permit holder's place of residence. Section 69 of the *Firearms Act 1996* already requires the holder of a licence or permit to provide particulars of his or her change of address.

16 Requirement to notify Commissioner of address where firearms are kept

(cf 1997 cl 14)

(1) The holder of a licence or permit must, within 14 days of acquiring any firearm, notify the Commissioner in writing of:

(a) the address of the premises on which the firearm is to be kept when not actually being used, and

(b) the particulars of the arrangements that have been made by the licence or permit holder for complying with the requirements of the Act and this Regulation concerning the safe keeping and storage of the firearm on those premises.

Maximum penalty: 50 penalty units.

(2) If there is any change in the address of the premises on which the holder of a licence or permit keeps any firearm, the holder of the licence or permit must, within 14 days after the change occurs, notify the Commissioner in writing of:

(a) the address of the new premises on which the firearm is to be kept, and

(b) the particulars of the arrangements that have been made by the licence or permit holder for complying with the requirements of the Act and this Regulation concerning the safe keeping and storage of the firearm on those premises.

Maximum penalty: 50 penalty units.

(3) Subclause (2) does not affect any requirement under section 69 of the Act to notify the Commissioner of a change of address in relation to a place of residence.

17 Renewal of licence or permit

(cf 1997 cl 15)

A licence or permit may be renewed by making an application, in accordance with the Act and this Regulation, for a new licence or permit (referred to in this Regulation as a "**subsequent**")

licence or permit).

18 Pending application for subsequent licence or permit

(cf 1997 cl 16)

(1) If:

(a) a person applies for a subsequent licence or permit before the term of the person's current licence or permit expires (referred to in this clause as the "**old licence or permit**"), and

(b) the application has not been dealt with by the time the old licence or permit expires,

the authority conferred by the old licence or permit continues until such time as the person is notified of the issue of, or refusal of, the subsequent licence or permit.

(2) If the applicant fails to collect the subsequent licence or permit in accordance with the approved arrangements within 60 days (or such longer period as may be approved in any particular case) of being notified of its issue:

(a) the subsequent licence or permit is taken to have been surrendered by the applicant, and

(b) any authority conferred by the old licence or permit ceases to have effect.

19 Revocation of licence--additional reasons

(cf 1997 cl 17)

The Commissioner may revoke a licence if the Commissioner is satisfied that it is not in the public interest for the licensee to continue to hold the licence.

20 Revocation of permit--additional reasons

(cf 1997 cl 18)

(1) In accordance with section 30 (4) (b) of the Act, a permit may be revoked if the Commissioner considers that it is not in the public interest for the person to whom the permit is issued to continue to hold it.

(2) The Commissioner must revoke a permit if the Commissioner is satisfied that the person to whom the permit is issued no longer has a legitimate reason for possessing or using the firearm (or the ammunition) to which the permit relates.

21 Application for permit

(cf 1997 cl 19)

(1) For the purposes of section 30 (1) of the Act, the manner of making an application for a permit is by sending or lodging the application in the approved form to or at the Firearms Registry of the NSW Police Force or such other place as may be approved.

(2) Without limiting clause 10, the Commissioner may refuse to issue a permit unless the applicant provides proof of his or her identity to the satisfaction of the Commissioner.

22 Photographs on permits

(cf 1997 cl 20)

(1) A permit must, if the Commissioner so determines in the case of any particular permit or class of permit, contain a recent photograph of the person to whom it is issued.

(2) The photograph is to be obtained in accordance with arrangements determined by the Commissioner.

23 Term of permit

(cf 1997 cl 21)

Except in the case of a minor's firearms permit, a permit continues in force, unless it is sooner surrendered or revoked or otherwise ceases to be in force, from the date on which it is issued for a period of 5 years, or such shorter period as may be specified under the Act or this Regulation (or as may be determined by the Commissioner) for the permit.

24 Conditions of permit

(cf 1997 cl 22)

(1) A permit is subject:

(a) to such conditions as the Commissioner thinks fit to impose and as are specified in the permit, and

(b) to such conditions as may be specified in this Regulation in relation to the permit.

(2) Without limiting the conditions to which a permit may be subject, a permit may be subject to such conditions concerning the safe storage of the firearm to which the permit relates as may be determined by the Commissioner.

(3) All permits are subject to the condition that they cannot be transferred to another person.

25 Recognition of interstate licences--additional purposes

(cf 1997 cl 23)

(1) For the purposes of section 26 (1) of the Act, an interstate resident who is the holder of the equivalent of a category A or category B licence is authorised to possess and use a firearm of the relevant kind without the authority of a licence under the Act, but for the following purposes only:

(a) recreational hunting/vermin control,

(b) vertebrate pest animal control,

(c) practising in connection with an approved shooting competition referred to in section 26 (1) of the Act,

(d) taking fish for sale in accordance with the *Fisheries Management Act 1994*.

(2) For the purposes of section 26 (1) of the Act, an interstate resident who is the holder of the equivalent of a category H licence is authorised to possess and use a firearm of the relevant kind without the authority of a licence under the Act, but for the purpose only of practising in connection with an approved shooting competition referred to in section 26 (1) of the Act.

(3) For the purposes of section 26 (1) of the Act, an interstate resident who is the holder of the equivalent of a category A, category B or category H licence is authorised to possess, but not use, a firearm of the relevant kind without the authority of a licence under the Act, but only so as to authorise possession of the firearm:

(a) after buying it from a licensed firearms dealer in New South Wales, or

(b) while travelling through New South Wales, or

(c) while taking it to a licensed firearms dealer in New South Wales for the purposes of selling the firearm or having it repaired or serviced.

(4) For the purposes of section 26 (1) of the Act, an interstate resident who:

(a) is licensed, under the law of the other State or Territory in which he or she resides, to carry on security activities referred to in section 4 (b) of the *Security Industry Act 1997*, and

(b) is authorised to possess and use a pistol or shotgun under the law of that other State or Territory for the purposes of business or employment,

is authorised to possess and use the pistol or shotgun in New South Wales but only while carrying on those security activities.

(5) For the purposes of this clause, a firearm is "**of the relevant kind**" if it is one to

which the corresponding category A, category B or category H licence applies.

26 Licences or permits held by government agencies and their employees

(cf 1997 cl 24)

(1) If a licence or permit is held by a government agency authorising the agency to possess firearms, and persons who are authorised by separate licences or permits to possess or use firearms for business or employment purposes are employed in or by the agency, the agency (or its chief executive officer) must:

- (a) except as provided by this clause, keep in safe storage all firearms authorised to be possessed by those employees when they are not on duty, and
- (b) in addition to the requirements set out in Part 4 of the Act, ensure that any firearm required to be kept in safe storage is secured in such a manner as would reasonably prevent its removal otherwise than by an authorised employee, and
- (c) must not allow any firearm in the agency's possession (including any firearms that have been acquired by the agency) to be possessed or used by an employee who is not authorised to possess or use the firearm by a licence or permit issued to the employee, and
- (d) must notify the Commissioner in writing within 7 days if any employee (unless employed on a casual basis) who is the holder of a licence or permit authorising possession or use of a firearm ceases to be employed in or by the agency, and
- (e) ensure that each firearm in respect of which each employee holds a licence or permit is inspected once every 3 months by some competent person to ascertain its working condition, and
- (f) must cause each such firearm to be serviced at least once a year by an appropriately qualified person.

Maximum penalty: 50 penalty units.

(2) A person who is employed in or by a government agency must, at the end of any period of duty, return any firearm in the employee's possession to his or her employer's store of firearms unless the person is authorised to retain possession of the firearm in accordance with subclause (4). Maximum penalty: 50 penalty units.

(3) A person does not commit an offence under subclause (2) if:

- (a) the person has not been on duty at his or her ordinary place of work, and
- (b) it was not reasonably practicable, for reasons of distance or public safety, to return the firearm to the employer's store of firearms, and
- (c) it was not reasonably practicable in the circumstances for an authorisation under subclause (4) to be obtained (eg because the person was required to travel unexpectedly in connection with the person's employment).

(4) The Commissioner may authorise in writing any person who is employed in or by a government agency to retain possession of a firearm that the employee is authorised to possess between periods of duty as an employee.

(5) The Commissioner must not authorise possession of a firearm between periods of duty unless the Commissioner is satisfied that:

- (a) it is not practicable in the circumstances for the employee to return the firearm to the employer's store of firearms, and
- (b) the firearm will, as far as is reasonably practicable in the circumstances, be stored in accordance with the requirements of Part 4 of the Act.

(6) An employee's authorisation to retain possession of a firearm between periods of duty is subject to the following requirements:

- (a) the firearm may only be carried by the employee:
 - (i) when travelling directly to or from work or in the course of a work-related journey, or

- (ii) in accordance with approved arrangements that have been made by the government agency concerned,
 - (b) the firearm must be stored:
 - (i) at the employee's place of residence, or
 - (ii) in accordance with approved arrangements that have been made by the government agency concerned,
 - (c) the employee must, as far as is reasonably practicable in the circumstances, comply with the requirements of Part 4 of the Act,
 - (d) the employee must permit a police officer to inspect, at any reasonable time, the arrangements for the safe-keeping of the firearm.
- (7) An authorisation under this clause remains in force for such time as is specified in the authorisation unless it is sooner revoked by the Commissioner.
- (8) The Commissioner may revoke any such authorisation if the Commissioner is satisfied that:
- (a) the requirements of subclause (6) have not been complied with, or
 - (b) it is in the public interest to do so.
- (9) In addition to the firearms safety training courses required in connection with an application for a licence or permit, any person who is employed in or by a government agency and who is authorised to possess or use a firearm for business or employment purposes must undertake, at such times as may be determined by the Commissioner, such continuing firearms safety training courses as may be approved. Maximum penalty: 20 penalty units.
- (10) The government agency that employs such a person (or in which the person is employed) must:
- (a) ensure that subclause (9) is complied with by any such employee, and
 - (b) report to the Commissioner when those persons have completed the required training.
- Maximum penalty: 20 penalty units.
- (11) Clause 76 applies, in the same way as that clause applies to security guards, to any person:
- (a) who is employed in or by a government agency, and
 - (b) who is authorised to possess or use a pistol for business or employment purposes,
- while the person is carrying the pistol.
- (12) Clause 81 applies to a government agency in the same way as that clause applies to a person who employs security guards.

Part 3 – Licences--additional provisions

27 Sport/target shooting

(cf 1997 cl 25)

- (1) A licence that is issued for the genuine reason of sport/target shooting is subject to the condition that the licensee must, as a current member of an approved shooting club, comply with clause 96 (1) (a) or (b).
- (2) Subclause (1) does not limit the conditions to which any such licence may be subject.

28 Recreational hunting/vermin control--persons who are not members of approved hunting clubs

(cf 1997 cl 26)

- (1) If an applicant for a licence (not being a member of an approved hunting club) proposes to establish recreational hunting/vermin control as a genuine reason for being issued with the licence and, in order to do so, is required to produce proof of the

permission to shoot on rural land, the applicant must produce with the application:

- (a) the permission in writing, or
- (b) a statutory declaration verifying that the permission has been given,

as evidence that the permission has been given.

(2) During the term of a licence issued to an applicant referred to in this clause, the licensee may lawfully possess or use a firearm (as authorised by the licence) on land other than the land specified in respect of the application if:

- (a) the licensee has been given the written permission of the owner or occupier of that other land (or of an officer of the agency concerned) to shoot on that other land, or
- (b) the licensee has been given permission, as verified by statutory declaration, by that owner, occupier or agency to shoot on that other land.

(3) Any permission to shoot on rural land (including any statutory declaration verifying that any such permission has been given) must describe the land to which the permission relates and the type of game to be shot.

(4) If a licensee has been given permission to shoot on rural land, the licensee must, on demand made at any time by a police officer or an authorised officer for that land:

- (a) produce the permission for inspection by the police officer or authorised officer, or
- (b) if it is not in the licensee's immediate possession--produce the permission, as soon as practicable (but not more than 48 hours) after the demand is made, to the officer who made the demand or to another police officer or authorised officer nominated by the officer who made the demand.

Maximum penalty (subclause (4)): 20 penalty units.

(5) A person commits an offence under subclause (4) only if the police officer or authorised officer, when making the demand, explains to the person that failure to comply with the demand is an offence.

(6) In this clause: "**authorised officer**", in relation to rural land on which permission has been given to shoot, means an officer of the relevant agency (as referred to in the genuine reason of recreational hunting/vermin control) that has the care, control or management of the land.

29 Recreational hunting/vermin control--persons who are members of approved hunting clubs

(cf 1997 cl 27)

(1) A licence that is issued for the genuine reason of recreational hunting/vermin control to a member of an approved hunting club is subject to the condition that the licensee must, as a current member of the approved hunting club concerned, comply with clause 96 (1) (c).

(2) Subclause (1) does not limit the conditions to which any such licence may be subject.

30 Members of approved hunting clubs--restriction on authority conferred by licence

(cf 1997 cl 28)

(1) If a licensee who is a member of an approved hunting club has established recreational hunting/vermin control as a genuine reason for being issued with the licence, the licence authorises the member to use a firearm:

- (a) to participate in shooting activities conducted by the approved hunting club, but only on the land for which:
