

# United States Department of Labor

## Office of Workers' Compensation Programs

### Office of Workers' Compensation Programs (OWCP)

Division of Longshore and Harbor Workers' Compensation (DLHWC)

### **Defense Base Act Case Summary by Employer**

#### **Disclaimer:**

The OWCP Defense Base Act Case Summary Reports (DBA Case Summaries) are compiled from data maintained by the Department of Labor, Office of Workers' Compensation Programs (OWCP), Division of Longshore and Harbor Workers' Compensation (DLHWC) in the administration of the Longshore and Harbor Workers' Compensation Act and its extensions. These reports do not constitute the complete or official casualty statistics of civilian contractor injuries and deaths. They are offered as general information to the public who may be interested in the scope of civilian government contracting overseas.

The data below reflects the number of cases created under the DBA for the time period specified, sorted by Nation.

The columns show the different Case Types: NLT ( no lost time), LTO (lost time 3 days or less), LT4 (lost time 4 days or more), DEA (death), COP (salary continuation), OTH (other or unknown). For more information about this report, [click here](#).
